OUR EXPERIENCES

Showing our experiences in variety industrial types

BACKGROUND

TSUBAKIMOTO KOGYO CO.,LTD.(TSUBACO) is a *trading company*, mainly deals with a *variety of machinery parts and equipment, also engineering system*. Established in 1916, now we're having over 104 years experiences. Besides we're together with the manufacturing companies :

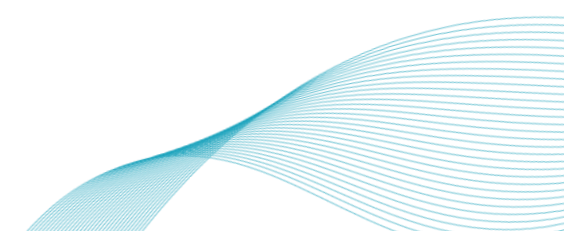

TSUBAKIMOTO CHAIN CO.,LTD.

We provide technical and marketing information to overseas customers using our business network. In addition, we supply machine equipment and parts to suit overseas customers needs, which can be cost saving through making contact with our members and oversea partners. We have a view to international relations and commodities from overseas manufacturing companies for Japanese clients and other countries.

Our policy is to improve the quality of life and to produce more efficient equipment. We endeavor to establish overseas customers trust and recognition of our company and also try to furnish machinery which can result in increased profits for them.

We will be glad if you read this brochure and understand our company in detail.

MR. MASASHI KODA
PRESIDENT OF TSUBAKIMOTO KOGYO CO.,LTD.

Company **Motto**

We make our contributions to the society through our business activities. We should make the enterprise prosperous with our dedicated product development and indomitable marketing efforts.

OUR BUSINESS

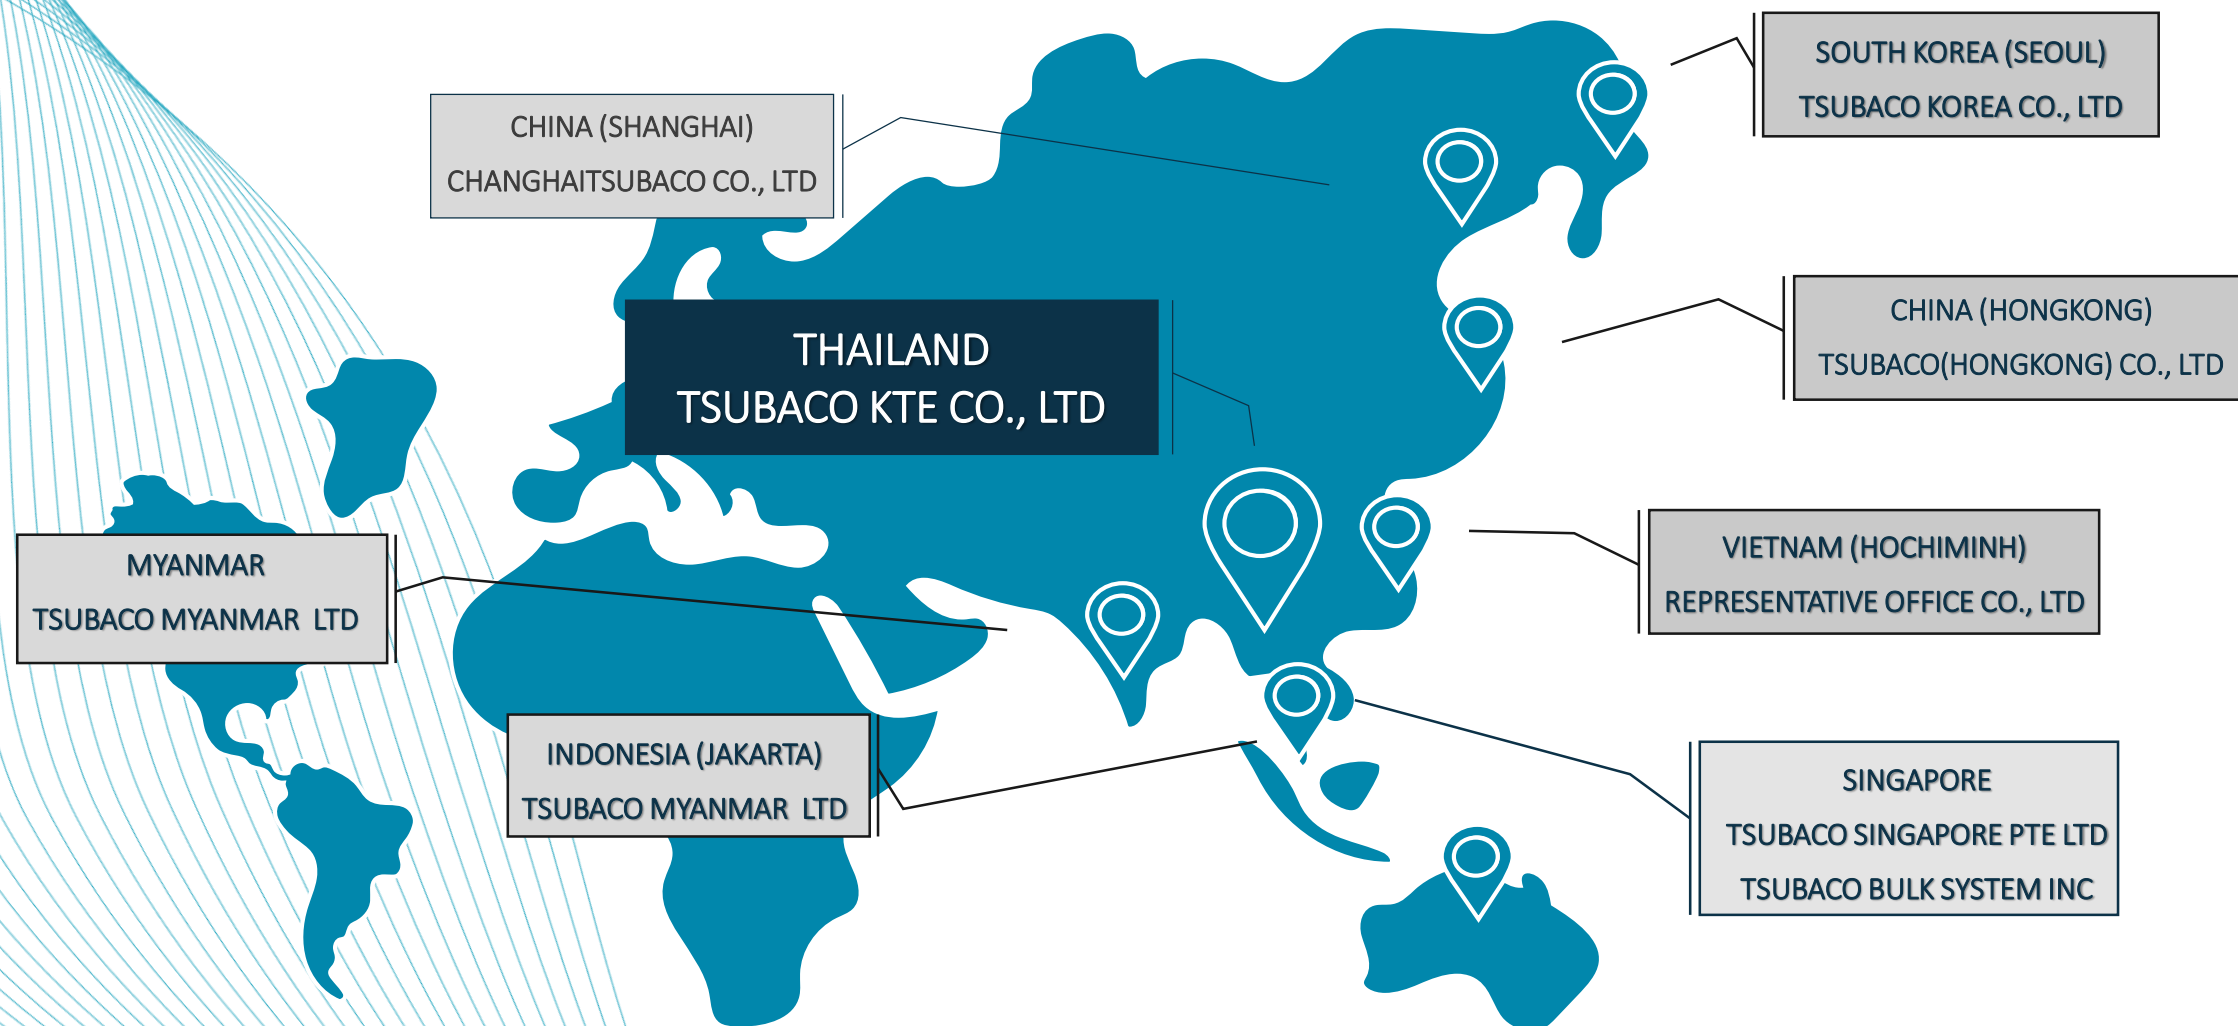

We should provide customer in the industrial fields with the new value through the optimized product management based on the technological forces developed for its long history as a general trading company of machinery and engineering.

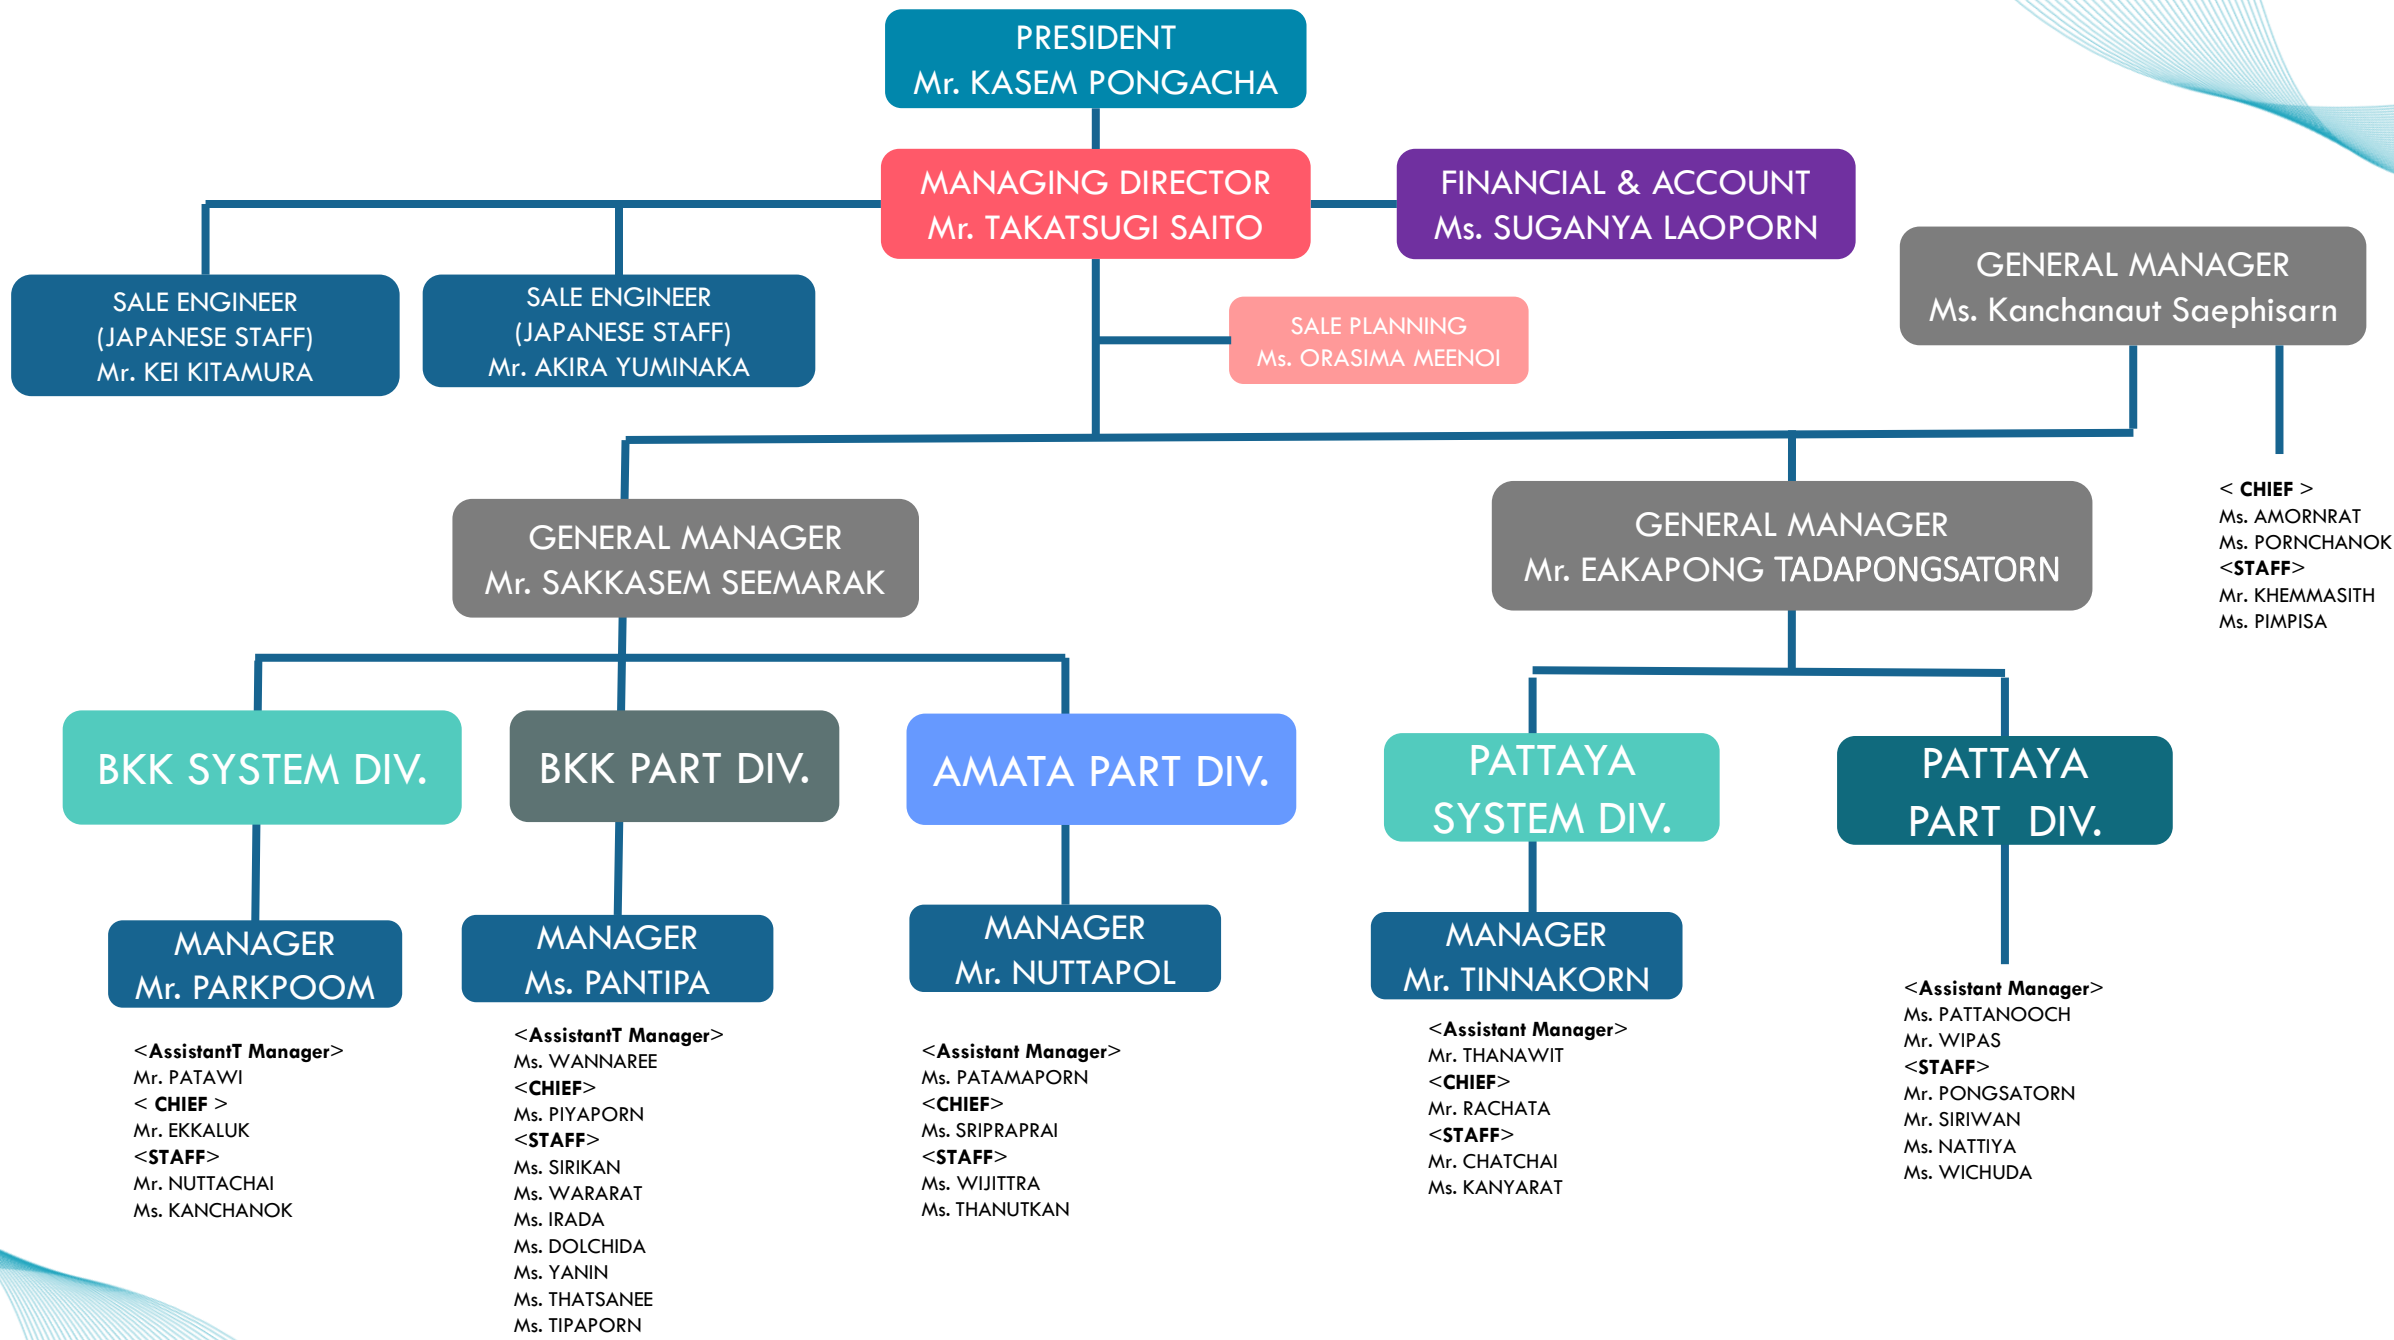

OUR VISION

We should work hard to be a value-oriented enterprise in the industrial fields as general trading company of machinery and engineering.

SYSTEM DIVISION

CONVEYOR SYSTEM

**CAPABLE TO DESIGN AND SUPPLY
VARIOUS TYPES OF CONVEYOR**

- CHAIN CONVEYOR
- ROLLER CONVEYOR
- BELT CONVEYOR
- MESH CONVEYOR
- OVERHEAD CONVEYOR

WAREHOUSE MANAGEMENT

**FULL OR PARTIAL AUTO-WAREHOUSE TECHNOLOGY,
ONE OF THE MOST POPULAR TREND THESE DAYS**

- ↪ PALLET LIFTER AND CONVEYORS
- ↪ CONTINUOUS LIFTER / VERTIRATER
- ↪ AUTO RACKING SYSTEM
- ↪ LOGISTICS SYSTEM
- ↪ SORTING SYSTEM
- ↪ CONVEYOR APPICATION

FABRICATION WORK

**FABRICATION PARTS AND EQUIPMENT
REFER TO DESIGN**

- ↪ FURNACE
- ↪ MIXING TANK & AGITATOR
- ↪ INDUSTRIAL MACHINE
- ↪ SPECIAL PARTS/MTO PARTS
- ↪ OTHERS
